OUR FINANCIAL POLICY

We are committed to providing you with the best possible dental care. If you have any dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance, and your understanding of our payment policy. All patients must read and sign our financial policy before seeing the doctor.

Payment for services is due at the time services are rendered unless payment arrangements have been approved in advance by our staff. We accept cash, checks, Visa/Mastercard. We may accept assignment of your insurance benefits, we do however require that you pay your deductible and your estimated copayment at the time services are provided. The balance is your responsibility whether your insurance company pays or not. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract.

Returned checks and balances older than 30 days may be subject to additional collection fees and interest charges of 1 1/2% per month. Charges may also be made for broken appointments and appointments cancelled without 24 hours advance notice.

If you have any questions about the above information or any uncertainty regarding insurance billing, please don't hesitate to ask us. We are here to help you.

I have read the financial policy. I understand and agree to this Policy:
